

Submitter: TANDY WILCOX
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB3214

The Constitution protects property rights through the Fifth and Fourteenth Amendments' Due Process Clauses and, more directly, through the Fifth Amendment's Takings Clause: "nor shall private property be taken for public use without just compensation." Members of the Committee on Judiciary need to be reminded of these amendments again and again because you either need educated on the constitution you took an oath to uphold or you are purposefully violating your oath. This bill should never see the light of day. This is just one more of hundreds of bills that are trying to be slipped through, further eroding the bill of rights and oppressing the citizens of this state. ANIMALS ARE PROPERTY and Representatives Hudson, Chaichi, and Gomberg have clearly demonstrated that they are either ignorant to this fact or willfully violated their oath when they presented this bill.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed,—That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. THIS BILL AND OTHERS LIKE IT ARE DESTRUCTIVE.

STOP HB 3214 NOW! I DO NOT CONSENT TO THIS BILL OR OTHERS THAT YOU ARE REVIEWING THIS LEGISLATIVE SESSION THAT HAVE SIMILAR VIOLATIONS TO THE STATE AND FEDERAL CONSTITUTION. LAWMAKERS ARE NOT ABOVE THE LAW SO STOP BREAKING IT!
