On Behalf Of: Lindwyrn Exotics
Committee: House Committee On Judiciary
Measure: HB3214

HB 3214 over extends in intended reach in impacting negatively those individuals and businesses who own and operate sale and resale of approved domesticated reptiles. As a State resident of Washington who travels across the State line into Oregon for reptile expositions for sale of reptiles, this House Bill would negatively impact commercial operations and reduce overall commerce and revenue tied to the regulated reptile community.
