No. No. HELL no. Could not oppose this any stronger. Oregon has already been in a race to the bottom and this will ensure Oregon will forever be the dregs for America. Progressives have turned this state into a 3rd world country and empowering them to further dominate elections will destroy this state.

If you haven't figured out by now, progressive policies disaffect wealthy taxpayers. Wealthy taxpayers are leaving the state. Jobs are leaving the state. And then you have no one to pay for utopia. Progressivism creates dystopia.
