

Submitter: Patricia Krewett
On Behalf Of:
Committee: House Committee On Rules
Measure: HB2004

Ranked voting has proven to be disastrous in every state that has chosen to use it so far. Our system of voting is already confusing enough and alienating more voters through the ranked choice system is the opposite of our goal of being more inclusive and bringing more voters into the voting process. Please vote "no" on ranked voting. Thank you.
