Water

Measure: HB3366

Chair Helm, Co chairs Hartman and Owens,

I'm Clair Klock, retired farmer and conservation specialist from Corbett,

I urge your support of HB 336 to help funding the Oregon Agr. Heritage Program.

The program will be a integral part of farmland protection in Oregon for future generations and it needs to be done now. The program need the staffing to provide the proper technical and administrative functions to make the program successful.

Thank you,
