

Submitter: lynda chambers

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

This is not a smart use of the Public's Money! Do you have an idea of the amount of Seniors that can't afford basic health care? Why would we pay for Gender affirming health care. We (YOU) need to stop screwing with our young peoples minds, what young person is not confused about who they are? Help cure Cancer!!
