

Submitter: Karl Clement

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2005

This is an appalling attempt by the Oregon government to turn law abiding citizens into criminals overnight. This bill violates the 2nd amendment of the US Constitution, and if passed will be repealed after being tested on historical tradition.

The fines and jail time are cruel and unusual for a victimless crime. Our jails will be filled with people that didn't hurt anyone or damage property!
