

**I SUPPORT [SB 954]...Measure 110 should be repealed.**

[SB 954] initially might cause some confusion with local law enforcement jurisdictions.

However, every tool must be used to keep the Drug Cartels in check.

Drug Cartels operate throughout Oregon in different Counties. [SB 954] gives local law enforcement a tool to "round-up" Cartel enterprises where they are first noticed and to where their "territory" for operations ends.

Good Job!
