

I am Neutral on [HB 3135]...Department of Education needs to be overhauled or dissolved.

Why are some school Districts shrinking?

Are there poor success rates in science, technology, engineering and math (STEM)?

Are reading, writing and English proficiency in an abysmal state?

Is Critical Race Theory, the 1619 Project and Black Lives Matter indoctrination unacceptable to parents?

Do parents want their children to have assisted sex-change procedures and have their children exposed to LGBTQ political, sports bathroom and shower philosophies?

Are charter and private schools attracting children from going to public schools?

Have the Teacher's Unions destroyed the public's confidence in Oregon's Public Schools?
