Measure: HB2006

So a 18 year old kid go fight America's wars, but when he comes back, he can't own a gun? That makes absolutely no sense. He can't protect his own family, can't go hunting with his father or brother son. This laws will do absolutely nothing to protect us Americans from so-called "gun violence" urge you to stop infringing on our rights. The Bruin decision as absolutely demolished Gun control! Our states politicians have sworn to uphold the constitution on the Bible and continue to violate their oath of office without any punishment. I believe each politician that violates his oath should be reprimanded. Kicked out of office.! Thanks.
