

Submitter: Kent Zerr
On Behalf Of: HB 3214
Committee: House Committee On Judiciary
Measure: HB3214

Please consider the effects of this bill. There are many programs that help us all understand the diversity of this state and other regions. We have zoos, activities to teach the youth the need for knowledge that travel.

4H, Wildlife Safari, county fairs, state parks, and federal parks.

This bill is ill written and prevents even humane care of stray animals.

We have laws to protect abuse of animals in this state.
