

Submitter: steve hunt

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB1051

Please do not pass SB 1051. It is detrimental to the urban growth boundary concept and is an unneeded exception to the existing rules in place for expanding a UGB. We need to respect and maintain strong limits and sideboards on urban expansion. Period. Our Agriculture, forestry and rural economies deserve continuing strong protection and steadfast protection. Thank you. Stephen Hunt owner/operator Hunt Orchards, Hood River Co.
