Measure: HB2002

I am totally opposed to this bill especially how it pertains to my 2nd amendment rights to peacefully protest in front on an abortion clinic. How exactly will it be enforced? If I'm quietly praying the rosary on the sidewalk in front of an abortion clinic, will I risk being arrested because a passerby might be offended? This is a terrible bill and it is wrong to provide abortions to underage girls who do not have the maturity to make a decision that they might surely regret. Do the right thing and protect life.
