

Submitter: Ana Hannigan

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

This bill is absolutely abhorrent. It will have devastating consequences for minors and puts the state between parents and their children- a place they absolutely do not belong. I'm very pro choice and pro reproductive health even for minors but this takes things way too far. Oregon government is really becoming extreme and you are losing support of even progressive people like me.
