

Submitter: SICHE GREEN-MITCHELL

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

I'm writing as a member of the Oregon alliance to prevent suicide, as a school counselor, and trans person. I urge you to vote yes on HB 2002. Gender affirming care and reproductive care are basic rights and human needs for safety and well being. If this bill does not pass it will have a very real and devastating impact on people in our community. Please vote yes and pass this bill to ensure affirming healthcare is a basic right in Oregon.

Thank you,.
