Measure: SB85

Dear Senator Golden,

I am a citizen very concerned about air and water quality, and fear the growth of CAFOs in our state bodes badly for Oregonians.

Thank you for working on this issue, Senator Golden.

The moratorium on poultry alone is okay at this point in time. However, I urge you to ensure the moratorium on Tier 2 poultry CAFOs be no less than 5 years and request that If the Tier 2 moves forward with a 2 year moratorium, it includes Tier 1 poultry CAFOs as well because of concerns that limiting this moratorium to Tier 2 CAFOs for such a short duration of time is not protective enough.

Thank you.
