

Submitter: Jill Franko

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB3274

To Whom It May Concern:

The need for mental and behavioral health support far exceeds the resources available. Please provide additional funding for this necessary and under sourced field so the need can be matched with qualified experts in the field. We have to do more than talk about it; we have to fund real solutions to one of the primary challenges of our time.

Thank you for your consideration.

Kindly,
Jill Franko
