Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

Coming from a blue state and being a male I probably don't have to worry. But, I am very worried that the Handmaids Tale is quickly becoming a reality in this country.

NO ONE SHOULD BE FORCED TO CARRY AND UNWANTED CHILD, EVER PERIOD!!

NO WOMAN SHOULD BE FORCED TO CARRY A NON VIABLE FETUS, endangering their own lives.

NO ONE SHOULD BE DENIED MEDICAL TREATMENT FOR A GENDER DISORDER.
