

Submitter: Brent Dolby

On Behalf Of: Myself and my family

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

I am adamantly Opposed to this Bill. Minor Children are not allowed to make any life altering decisions without prior parental consent, sign up for the football team, Join a Baseball team, Play Hockey, join Dance team, enter a movie theater showing an "R" rated film, VOTE or get a job, why would anyone with ANY moral or ethical code allow children who have not yet reached a certain level of maturity, make ANY determination on their Gender or Termination of a pregnancy WITHOUT PRIOR parental consent. I would like to see any and all physicians who prescribe care to MINOR Children without prior parental consent punished to the fullest extent of the law.
