

Submitter: Dedria Mabie  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB2007

I oppose HB 2007. I walk by public buildings just about everyday on my breaks and lunch from work. I would be placing myself as a criminal and looking at the punishment if this passes. I am a law abiding citizen living in Oregon for the past 40 years. Plus it goes against my 2A rights. Thank you, Dedria Mabie
