

Submitter: Meg Larson

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

The day government steps in and "knows what is best" for its citizens, is the day we are all doomed, including the ones introducing and promoting this bill. This IS government stepping over a line that will be the end for us all as individuals. Don't be fooled....wake up before it is too late. VOTE NO on this government overreach, vote NO on HB 2002. Vote NO!!
