Measure: SB85

Senator Golden and staff, thank you for your work on SB 85 and its amendment (-2). I support the moratorium being only for poultry, but I feel that it should be no less than 5 years. If the -2 moves forward with a two year moratorium, it includes Tier 1 poultry CAFOs as well because of concerns that limiting this to Tier 2 CAFOs for such a short duration of time is not protective enough.

I live in Salem but we have friends and family in Scio.

Thank you for your time.
