Committee: Senate Committee On Natural Resources

Measure: SB85

Thank you to Senator Golden for his work on SB 85. I am in support of the moratorium being only for poultry; however, I encourage the committee to support a moratorium on Tier 2 poultry CAFOs of no less than 5 years. If the committee moves forward with a 2 year moratorium, I would request that it include Tier 1 poultry CAFOs as well. There is large concern within the community that limiting a moratorium to Tier 2 CAFOs for such a short duration of time will not offer adequate protection.

Thank you!
