Measure: HB2007

I oppose this bill for me any reasons, the most obvious being that the 2nd amendment of the US Constitution guarantees the right of US citizens to keep and bear arms. The state has a concealed weapons policy that is enforced and the Oregon citizens are allowed to open carry. The rules and regulations for where weapons are not allowed are already in place. Enforce the existing rules and do not allow organizations to arbitrarily deny us from our rights. The not-so hidden agendas of organizations should not be endorsed by state government.
