On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB2006

I am writing to strong urge you to vote no on this ridiculous bill.

Not only is it blatantly unconstitutional to deny any adult the right to own a firearm, this bill looks like it would instantly criminalize any adults between the ages of 18 and 20 who currently own a firearm.

An 18 year old is old enough to be drafted into the military and potentially give their life for our great nation. They are old enough to possess a firearm.

Stop trying to deny rights of the citizens that look to you to defend their rights, not oppress them. Please focus your attention on the real issues facing our great state.

Vote No.

Thank you

Frank
