

Submitter: Miles Reardon

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

Please do not allow this legislation to go any further. Raising the age limit is not going to solve the gun violence in this country. People are the issue, not guns. Are we raising the age to becoming an adult to 21 years old? We are letting a very small percentage of the population dictate what happens in the lives of the majority of the population. This is a knee jerk reaction to try and solve gun violence in this country. Please reject this bill.
