

Submitter: Damaris Pereda

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

Gender-affirming care is life-saving care. The Reproductive Health & Access to Care bill (HB 2002) breaks down barriers so that all Oregonians have access to the health care they need and the freedom to be who they are. This is providing young people with the access to an informed choice about their bodies, which we all have a fundamental right to.
