Measure: HB2004

I support HB2004 in that it will establish a better voting system than our current first past the post plus runoff system. But there is a better voting system than that: STAR Voting: <https://www.starvoting.org/star4or2024>. I encourage the House Committee on Rules to consider revising this bill by replacing Ranked Choice Voting with STAR Voting and then send it on to the House floor.

Thank you for your consideration!
