Measure: HB2006

I strongly oppose HB2006. It is a solution looking for a problem. It will instantly turn ADULTS ages 18-20 who already own a prohibited firearm into a criminal.

If you believe 18-20 yr olds aren't trustworthy enough to own said firearms, then how can they be trusted with the biggest weapon of mass destruction, known as a Ballot? How can we trust them to die for yours and my freedom? How can we trust them to drive? Just as many vehicle deaths as firearm deaths each year.

Criminals will be criminals and another law on the books isn't going to discourage bad actors if they are intent in causing harm.

If oregon continues down the same pathway as other blue states and their failed policies, oregon too, will see a large exodus of businesses and citizens just like the other blue states.

Vote NO on HB2006
