On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

I strongly oppose Hb2002. Parents have the right to decide what is best for their child. Also, as an Rn I know that there can be severe complications from an elective surgical abortion and chemical abortions. A parent needs to be involved in any decision. They also know the child's health history which is vital for the well being of the child
