Transportation and Economic Development

Measure: SB5524

Dear Joint Ways & Means Subcommittee on Transportation and Economic
Development:

I am writing in support of the the Oregon Film and Video Office. As an Oregonian who supports my family by working exclusively in film and television production, I know first-hand how vital this office is to the media workforce in our state. The Film and Video Office does excellent work promoting Oregon as a film destination and efficiently administers the film incentive programs. Having interfaced with film offices in several other states, I can confidently say that the Oregon Film and Video Office is best-in-class, and a real asset to the state of Oregon.

Please approve the 2023-25 operating budget for the Oregon Film and Video Office.

Thank you,

Mike Neal
