

# I support critical funding for Oregon's highest needs students!

To: Oregon Senate Committee on Education

I'm writing to ask you to support a bill that will come up for a hearing in the Senate Education Committee on March 21st. Senate Bill 633 sets aside critical funding for Oregon's highest needs students. The bill would establish special education multi-district collaborative model which promotes the establishment of a network of special education centers in Oregon dedicated to healing our youth who struggle with the most acute mental health and disability challenges.

## Why is this important?

As a strong believer in Serendipity Center's mission and model to provide evidence-based, trauma-informed services to public school students, I support Senate Bill 633. This bill would advance the field of special education and children's mental health in Oregon so that more students will receive an equitable education experience and thrive. Thank you for your consideration.
