Measure: HB2990

Chair Marsh and members of the Committee,

I am Linda Craig, and I live in Portland. I am a member of our Neighborhood Emergency Team, an organization that trains volunteers to be of help in the event of an emergency. As NETS, we know very well of the need for places for people to gather and get support and assistance. With the real threats that we are experiencing regularly of high heat and severe cold, flooding, fires, our communities need this help.

Please advance this bill. Thanks for the opportunity to comment.
