

Submitter: Russell Kautz
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2006

This bill is unconstitutional. There should be no limit on when a person can possess a firearm. Just look at our Founding Fathers. John Quincy Adams was eight years old when he practiced with the Massachusetts militia. 18 year old men and women are allowed to join our military and are trained in the use of firearms. This bill is total hypocrisy.
