

Submitter: Chad Elliott

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB1076

I am writing today to oppose SB 1076. It is irresponsible for legislature to pass a bill like this without funding, even with the best of intentions. Passing this bill will cause harm to everyone else in the ER that needs help with limited room/resources. The actual person that the bill is trying to help is not going to benefit from the bill as written.

Please vote no on SB 1076.
