

HB 2005 (In Support)

- I believe all people should go through a background check before purchasing or possessing a gun, and ghost guns circumvent this proven safety precaution.
- Ghost guns are showing up more and more in criminal activity - we must restrict their availability and use.
- We know that more gun laws mean fewer gun deaths. These laws work.
- It should be “just as arduous” to purchase and own a gun than it is to get a driver’s license.
