Measure: SB611

To whom it may concern,

I would like to express my opposition to this bill. I am a small business owner and only have 7 units in Portland metropolitan area and over the past 3 years, have endured a lot of hardship.

Unfortunately, all the state mandated regulations brought my business to the verge of bankruptcy. The current economical circumstances, including a very high interest rates and high inflation will certainly push me out of this industry and out of Portland, if I am not able to maintain and grow my business income.

Thank you for your consideration
