On Behalf Of:

Committee: Senate Committee On Natural Resources

Measure: SB85

Please pass the full moratorium. The watered down version defeats the purpose. It must be ALL FACTORY FARMS FROM NOW ON. THAT'S THE ONLY VIABLE SCIENTIFIC SOLUTION TO THE WATER AND SOIL POLLUTION FROM FACTORY FARMS. THEY'RE ENVIRONMENTALLY UNSUSTAINABLE AND UNFRIENDLY. (FACTORY FARMS ARE AGAINST SCIENCE AND GOD. GOD COMMANDED US TO BE GUARDIANS OF ALL OF HIS CREATIONS. THEY'RE THE ANTITHESIS). BIG AG/BIG DAIRY IS RESPONSIBLE FOR 37% OF CLIMATE CHANGE BECAUSE THEY INCLUDE PESTICIDES AND DEFORESTATION! FACTORY FARMS ARE THE BIGGEST ENEMY....THEN COMES FOSSIL FUELS.
