

Submitter: Jamie Khaw

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

Please vote to raise the age for purchase & possession of semiautomatic assault rifles from 18 to 21. Research shows that individuals 18 to 20 years old commit homicides at a rate nearly three times greater than adults 21 and over. Raising the age will help prevent firearm deaths. Thank you.

Jamie Khaw
