On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2005

I strongly support HB 2005. Lawmakers should also support it. It will help save lives by prohibiting undetectable, untraceable firearms which never go through a background check. Such firearms will only be used in illegal ways and will hurt and kill innocent people and children. We need to protect our kids. What so many children have experienced as a direct result of such firearms is a national tragedy.
