

Submitter: Mark Puhlman
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2006

Dear House Committee on Judiciary:

I write in support of HB 2006. There is no reason for a young person to purchase or possess a weapon of war. Several recent mass shootings (Bend Safeway, Parkland, Uvalde) were perpetrated by men younger than 21. There are exceptions written in the law for hunting, allowing traditional hunting rights to be protected. These guns do not belong in the hands of young people.

We know that more gun laws mean fewer gun deaths. These laws work. Protect our children in schools, movie theaters, grocery stores, and parades. Pass HB 2006 for the sake of all of us.

Sincerely
Dr. Mark Puhlman DNP
