

Submitter: Mark Puhlman
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

Dear Committee on Judiciary:

I write to support HB 2007. Schools can prohibit guns on their campuses. Cities and counties should also be able to do the same. I believe there should be fewer guns in public spaces. My children are afraid to allow my grandchildren to go to school. They have taken to home school due to the number of shootings that have occurred in the US. Cities should be able to decide where guns are and are not allowed. It is a matter of local rights and control.

We know that fewer guns in the community mean fewer gun deaths. Do not be fooled by the NRA. This bill WILL save lives. Vote yes on HB 2007.

Sincerely
Dr. Mark Puhlman DNP
