House Committee On Judiciary,

This bill will be found unconstitutional. You are only wasting taxpayer money. It is far too complex for anyone to know where you can and cannot have a firearm. Lawful citizens legally carrying a firearm have on numerous occasions saved lives by stopping a bad guy with a gun. This bill will not reduce crime or remove guns from the public. You should be ashamed of yourself for wasting the taxpayers' time and start focusing on enforcing the laws that are already on the books.
