On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2006

As a long time citizen of Oregon, I am absolutely opposed to this bill. A person of the ages 18 to 21 is capable to serve their country, vote, drive a vehicle, work, be capable to make health care decisions for themselves but you do not think they are responsible enough to own a weapon. I disagree. There are many laws and regulations that already exist that allow for digression when selling a gun. Again, those who choose to live their life in illegal ways will do it now matter how many laws there are written. If the current laws are not enforced, then more laws will not change anything. Drop this bill now. It will NOT stop those whom choose not to follow current rules!

I ask you to not send this on for a vote!
