Measure: HB2006

I am writing to support HB 2006. Firearms are the leading cause of death for children in our country. Some of the most horrific mass shootings were carried out from a teenager. As a mother of three young kids, I need to do everything I can to protect them and that includes being at least 21 to possess firearms. All kids should feel safe at school and in our community. You can't rent an VRBO or Air bnb unless you are 25 years old, yet you currently can possess deadly weapons- this makes no sense. The min age needs to be 21. Thank you.
