

Submitter: Irene Henjum
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

To Whom it May Concern,

As a responsible gun owner I am writing to urge you to support this legislation. Certain buildings such as schools, daycare facilities where children are present should be able to limit entry by people with a concealed carry permit. While I am a 2nd Amendment supporter, no rights are absolute without room for common sense restrictions. I urge you to support this.
