

Submitter: Eileen Sleva
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2005

Ghost guns are an invisible threat to society. Easily built with no background clearance requirements, they are the gun of choice for those not permitted to possess firearms. Community and family safety must be our primary concern when considering the possession of firearms. These guns do not pass that test. Please vote to prohibit all ghost guns and other undetectable, untraceable firearms. We all deserve to live in a safe environment. Thank you.
