

Submitter: Marianne Zuckerman

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2005

Chair Kropf, Vice Chairs Andersen and Walan and members of the House Judiciary Committee:

Our country has seen far too many acts of senseless violence and hatred at the hands of gun owners and those who gain access to a gun. As a mother of three and a teacher of young children, I can tell you that the fear is real for the children of this nation. We need to do better to keep our country safe. Please take action and pass this bill to ban ghost guns.

Thank you.
