Committee: Senate Committee On Finance and Revenue

Measure: SB540

My name is Michael kasser. I lived in Oregon until September 2017. I also served in the Oregon army national guard for 21 years. I feel that with the current economy that taxing service members retirement is not a viable solution and would only add undue stress to those that receive a retirement. I support this bill because those like myself that served faithfully should not have to pay taxes on their retirement instead should receive it as it should be the government's responsibility to take better care of those who took the oath to protect this great country.
