

Submitter: Elicia Brown
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

I oppose bill HB 2007. HB2007 would create a tangled web of regulated spaces that one would never be able to navigate and impossible to traverse.

It would make good, law abiding Oregon citizens lawbreakers.

As an American, it is my constitutional right to protect myself from harm.

Why attack law-abiding citizens?

This is certainly unconstitutional. This disaster is not worth imposing on law abiding citizens of Oregon.

Again I oppose bill HB2007

I ask you to please do not pass this nightmare of a bill and take away my rights, or the rights of my children to defend ourselves
